

Partners Through Experience needs you!

The UFT Partners Through Experience is a voluntary program that matches an individual educator with a recent retiree (from 1-3 years) to form a collaborative relationship.

Are you a UFT educator looking for support and new ideas?

For educators,

It's a great way to receive support and guidance, pick up new ideas from a fresh perspective, all geared to your own questions and concerns.

Are you a recent retiree and want to stay connected to the union?

For retirees,

it's a great way to stay active in the life of the union and share valuable experience with in-service educators.

If you're a member interested in joining this informal, nonjudgmental support program, please register online at:
