

How to Get Involved with UFT Political Action

Help make our voices heard on the education and labor policies that affect us!

Members' voluntary contributions to our Committee on Political Education (COPE) – not union dues – fund the union's political work with members, communities and elected officials. Go to www.uft.org/cope for more information.

The UFT Political Action Team helps select and elect political candidates as well as make educators' voices heard in the political arena.

Sign Up with One Tap!

Point your phone's camera at one of these QR codes. Then, tap the website address that pops up.

Enroll in COPE Online
