# Using Origami to Introduce the Properties of a Square

A Math Workshop for Grades K – 12  
Elementary, MS, HS, and Paras

**Wednesday, October 23, 2019**  
**4:30pm – 6:30pm**

- PRESENTER:** Helen Rodney,  
UFT Math Teachers Committee HS Vice Chairperson  
Bronx High Schools Teacher of the Year, 1998 - 1999
- SCHEDULE:** 4:15pm – 4:30pm Arrival and Refreshments  
4:30pm – 6:30pm Workshop
- LOCATION:** UFT Headquarters (Check with security in lobby of 50 B'way for exact location.)
- FEE:** \$10 for UFT members to cover supplies;  
\$15 for non-UFT members

We will use the ancient art of Japanese paper folding (origami) to discover and prove the properties of a square by using origami paper (which is always a square), pencils, markers, rulers, and pipe cleaners. The properties of a square will be written on the origami and patty papers in the phases of the project.

Participants will receive a box of 100 sheets of Patty Paper, origami paper, and pipe cleaners. Please bring pencils, markers, and ruler.
