Principal Office Hours for Schools with a Centrally Funded Special Education Intervention Teacher

Schools with a Centrally Funded Special Education Intervention teacher are invited to join a monthly series of optional office hours from January to June 2024, focused on supporting the implementation of a special education literacy intervention program through the lens of a school leader. Principals with a centrally funded teacher will receive an email from specialeducationpd@schools.nyc.gov with more details, as well as a monthly Outlook invitation, during the week of January 2. These principals should accept the Outlook invitation to attend each of the six office hours in the series; each session covers different content.

As shared in the September 19 edition of Principals Digest, principals should review and adhere to the additional Centrally Funded Special Education Intervention Teacher requirements outlined in the revised School Allocation Memorandum No. 16 (SAM #16); funding is subject to removal if the requirements for the position are not adhered to. Teachers must attend training and submit benchmark data to central facilitators through established platforms by February 1, 2024, or lose the funding for the position as of September 1, 2024.

For questions, email specialeducationpd@schools.nyc.gov.
